### GENERAL DIX.

Letter to a Friend in New York.

His Opinion of Horatio Seymour.

His Election Would be a Calamity.

Only Safety for the Country the Election of General Grant.

NEW YORK, September 22.—Gen. Dix, American Minister to France, has sent the following letter to a friend in this city. It was not written for publication, but the gentleman to whom it was addressed has consented to give it to the public:

PARIS, September 4, 1868.

DEAR SIR:—It was my hope that my distance from home would have saved me from all participation in political excitement prevailing there; but I notice in one of the newspapers that I am "heart and hand with Mr. Seymour." I am not aware of anything in the present or past which could rightfully subject me to such an imputation.

I have been acquainted with Mr. Seymour more than a quarter of a century. He is an amiable gentleman of unexceptionable private character and respectable talents, but you know, as well as I, that he has not a single qualification for the successful execution of the high official trust to which he has been nominated, and he is especially deficient in that firmness of purpose which, in critical emergencies, is the only safeguard against public disorder and calamity. He has been twice at different times Governor of the State of New York, and he has in neither case had the talent or tact to keep the Democratic party of the State together more than two years. I should regard his election at this juncture, when steadiness of purpose, decision, and self-control are so much needed, as one of the greatest calamities that could befall the country.

Moreover, he has been put in nomination by a convention which has openly declared the purpose of those it represents to pay the greater part of the public debt contracted to preserve the Union in depreciated paper. Such a measure would, in my judgment, be a palpable violation of public faith, pledged under circumstances which should have been binding on all honorable men. Seymour has made public speeches to show that it is our duty to pay the debt in specie. In accepting his nomination to the Presidency, he adopts the declaration that it ought to be paid in paper. I know nothing so humiliating in the history of American politics as this tergiversation. [illegible]

CITY MATTERS.

Meteorological Observations.

[illegible]

REPAIRING THE TRACK.—The track of Keeling's Coal Railroad, down the middle of Railroad street, East Birmingham, to the Monongahela river, is being repaired and relaid, preparatory to the running of cars from Mr. Keeling's works, three miles out in lower St. Clair township, to the river. This was stopped some time ago by some of the property holders refusing Mr. Keeling the right of way, but that matter having been settled the running of cars will shortly be resumed.

POLICE ORDER.—Mayor Blackmore has directed the entire police of the city, including substitutes, to meet at the Mayor's office on Wednesday evening, September 23d, at seven o'clock, to be on duty during the torchlight procession on that evening. The entire police force are also directed to report at the Mayor's office on Thursday morning, September 24th, at nine o'clock, a portion of whom will be detailed to form an escort to the Republican Mass Convention on that day, and the balance to be stationed along the line of the procession.

The Oil Exchange and the Brady's Bend Bridge.

A meeting of the Oil Exchange was held yesterday afternoon, in the Dalzell Building, Duquesne way, for the purpose of taking action relative to the obstructions in the Allegheny river, at Brady's Bend, caused by the erection of the bridge over the river at that point. After some discussion, a committee was appointed to consult counsel in regard to the obstructions, and report at the next meeting of the Exchange.

PERSONAL.—Ex-Governor A. G. Curtin arrived in this city on Monday evening and left for New Castle, Pa., where he was to speak at a Republican mass meeting yesterday. He is to address the mass convention at Beaver to-day, and is announced to participate in the great mass convention here to-morrow.

General J. W. Fisher, of Lancaster, and Hon. A. K. McClure, of Philadelphia, two of the distinguished gentlemen that are to address the mass convention in Allegheny to-morrow, arrived in the city yesterday. The former is stopping at the Union Depot Hotel and the latter at the Monongahela House. The other gentlemen announced to be present at the Convention will arrive to-day.

Hon. Elisha W. Davis, ex-Speaker of the House of Representatives, passed through the city yesterday en route to Franklin, where he was to address a mass meeting.

Several Congressmen passed through the city yesterday en route to their homes in the West.

Sinking of the Silver Cloud.

The Wheeling *Intelligencer* says: "On Sunday evening, between six and seven o'clock, the steamer Silver Cloud, bound from St. Louis to Pittsburgh, was sunk opposite McMechen's Creek, some four and a half miles below Wheeling. She had been coaling, and in passing out struck a rock at the head of the ripple. At present she lies with her bow on the bar, and the stern in about five feet of water. She had on board one hundred tons of pig iron, consigned to J. M. Matthews & Co., with a quantity of dry goods, &c."

The Wheeling *Register* of yesterday, says: "The James Rees came along and stopped an hour or so, rendering what assistance she could. Not much damage will be sustained as she is loaded with pig metal. She will be ready for duty by to-day and will be at the landing sometime during the afternoon."

We understand that the Silver Cloud had on board eighty-three bales of cotton, consigned to the Eagle Cotton Works Company, of this city. An agent was sent down to look after the interests of the Company.

Public Amusements.

OPERA HOUSE.—The beautiful play of the "White Fawn" was admirably performed throughout last night, and Morlacchi, the terpsichorean Queen, excelled her efforts of Monday evening. Mons. Maravig, the accomplished *maître de ballet*, arrived yesterday, but was only able to appear in one dance, in which he was rapturously applauded. Mlle. Sandi also arrived last evening, and will appear this evening. While the transformation scene is well worth waiting to see, the "wait" is too long. Mlle. Morlacchi and Mons. Maravig will execute an attractive and difficult dance this evening.

VARIETIES.—This house keeps on in the even tenor of its way—large audiences and good performances. As usual, an attractive bill will be presented to-night.

Grand Republican Rally at New Texas.

Notwithstanding the unfavorable weather yesterday, the Republicans of Plum and adjoining townships turned out *en masse* to attend the grand mass meeting at New Texas.

An excursion train left the Allegheny Valley Railroad Depot; at the foot of Canal street, at eight o'clock in the morning, taking up a large Pittsburgh delegation, accompanied by the Great Western Band.

When the train arrived at Logan's Ferry the excursionists left the train, and were met by a large number of farmers, who had provided wagons to carry them over to New Texas, a distance of about five miles. The vehicles formed into a procession, headed by the Great Western Band in a wagon drawn by an elegant four horse team. All along the route the procession was increased by vehicles of every description, coming in from different parts of the country.

About a mile from the village the delegations were met by a mounted escort of one hundred men, under the command of George Patterson, Chief Marshal. Many of the members of the escort were former soldiers and presented a decidedly military appearance. They greeted General Sweitzer and the Pittsburgh delegation with loud cheers.

The procession, headed by the escort, proceeded to a grove near the village where a commodious speaker's stand had been erected, and the meeting was called to order by Mr. David Kuhn, President of the Plum Township Grant and Colfax Club, who submitted the following list of officers:

President—Captain Wm. A. Tomlinson.

Vice Presidents—Jacob Alter, Wm. C. Patterson, James McMath, Thomas Armstrong, John Alter, Archy Coon, Wm. Shaw, Captain McMaster, J. McDonald Crossen, Thos. Parks, John Kerr, Rev. Mr. Boyd, Robt. Chaffard.

Secretaries—Doctor Alter, S. A. McClung, and the reporters of the Republican Press.

Prayer was offered by the Rev. Mr. Loyd, after which the Seventh and Eighth Wards Glee Clubs sang a patriotic song, which was loudly cheered.

The Chairman then introduced General J. Bowman Switzer, who made a stirring speech. This was a season of surprises. The Democratic party had been surprised at the news from Vermont and Maine.

He had come out expecting to see a small meeting, such as he had seen there years ago. But he was surprised to see, in spite of the rain, so large an assemblage. Some of his Democratic friends might be surprised to see him addressing this meeting; but he had on a previous occasion given his reasons for taking his present position, and he believed it was such a position as every honest man in the land ought to take. [Cheers.]

There were issues involved in the campaign of the utmost importance. The Democracy in the New York Convention, and in the revolutionary letter of Frank P. Blair, had declared sentiments that should be vetoed. He did not want another war, and if the one was one he did not wish to be on the other side. It was the duty of the country to elect a man in whom the people had confidence, and one who had declared in favor of the reconstruction measures of Congress. The people wanted General Grant elected President because he had saved the nation, and never disappointed us. When sent out to accomplish anything he came back and said it was done. These were the traits that had made him a successful General.

The speaker discussed briefly the question of negro representation, and proved that the reconstruction measures of Congress did not propose to make the negroes the ruling race in the South as is alleged by the Democracy. The reconstruction measures of Congress were now the law of the land, and it was the duty of every loyal man in the land to stand by them. The threatened opposition of the Democracy to these measures breathed the spirit of revolution.

General Grant was a man on whom we could rely. He had manifested a kindly and humane feeling for the people of the South and would never do anything unjust. He never deserted his friends. The military record of General Grant was such that all attempts of the Democracy to destroy it would prove ineffectual. No military President had ever deceived the people.

The speaker closed by saying that he knew when he saw a crowd like that before him willing to stand in the pelting rain to hear him talk about General Grant by the hour, that they were going into the contest with a spirit that would win the fight. At the close of his speech the General was loudly cheered.

Mr. Corkhill of Iowa was then introduced and made a brief speech which created great enthusiasm.

Notwithstanding the fact that while the speakers were addressing the multitude, the rain was pouring down, the audience listened attentively, and did not decrease in size.

At half past twelve o'clock the rain having ceased, preparations were made for a dinner, and for a while the grove wore the appearance of a picnic more than a mass meeting. The tables were loaded with all sorts of delicacies furnished by the patriotic ladies of the township, and the lunch as it was termed, was enjoyed by all present, as the principal feature of the demonstration. On reassembling, the afternoon meeting was commenced with a song by the Glee Club, after which Mr. Alfred Moore read the following resolutions, which were unanimously adopted:

*Resolved*, That we, the citizens of Plum township and vicinity, pledge ourselves to do our whole duty towards securing the election of Grant and Colfax and thus the peace and prosperity of this great nation.

*Resolved*, That although we deprecate the indulgence of any vindictive or revengeful feelings and earnestly desire the speedy restoration of all the States to their former relations, yet we cannot consent that traitors shall be restored to power without some assurance that they agree to accept by the verdict of the war, and that their love for the Union is at least a little stronger than their reverence for the memory of the "Lost Cause."

*Resolved*, That we regard Horatio Seymour as a living refutation of the maxim "That language is intended to express, not to conceal thought," we see in Gen. Grant a man who can, when occasion requires, express his thoughts with the perspicuity which characterizes clearness of perception and honesty of purpose, but is more apt to use the clearer precepts of vigorous and determined action.

*Resolved*, That we invite the scrutiny of all with respect to the Republican Administration, as regards finances and everything else, but deny the right of any man to manufacture figures to suit himself for the purpose of deceiving the people and securing the triumph of a party pledged to violent and forcible revolution.

*Resolved*, That we are opposed to the assumption of any new obligations to traitors or the repudiation of any we are now under to loyal men.

By the Committee.

Thomas Ewing, Esq., was then introduced and made an eloquent and forcible speech, first thanking the ladies of Plum township for the hospitality in entertaining their numerous visitors. The financial question was then discussed at considerable length, the arguments which had been presented at a meeting the evening before by Moore and Foster, being thoroughly exploded by authentic facts and figures.

Another song was sung by the Glee Club, after which, on motion of Mr. Gray, a vote of thanks was tendered the ladies for the excellent repast they had furnished; and a resolution of thanks to the speakers for their able speeches.

The meeting then adjourned with three cheers for the ticket, and the Pittsburgh delegation was escorted to the station at Logan's Ferry, and brought to this city on a special train kindly furnished by Col. Phillips.

The meeting was largely indebted to Mr. J. McDonald Crossen of the Monongahela House, for his efforts to make it what it was—a grand success.

Grand Rally in the Thirteenth Ward.

A grand rally of the Republicans of the Thirteenth ward was held on Monday evening in front of the Minersville School House, where a neat stand had been erected for the use of speakers. The meeting was a very large and enthusiastic one, many present being ladies. The Grant and Colfax Clubs of the Seventh, Eighth and Eleventh wards, to the number of several hundred, were present with torches and in uniform. Many of the residences in the vicinity of the meeting were gaily illuminated and decorated with Chinese lanterns. A handsome flag was presented to the Thirteenth Ward Grant and Colfax Club, by the ladies of the ward. The meeting was organized by calling Isaiah Dickey, Esq., to the chair, and appointing a number of Vice Presidents and Secretaries. Eloquent and able speeches were then made by Major A. M. Brown and John Dalzell, Esq. The speeches were interspersed with some excellent songs by the Thirteenth Ward Grant and Colfax Glee Club. At a late hour the meeting adjourned with three cheers for Grant, Colfax and the whole ticket.

Republican Meeting in Baldwin Township.

A very large and enthusiastic Republican meeting was held on Monday evening, at the Union Hotel, in Baldwin township. A large pole was raised at the same time, and a handsome flag unfurled to the breeze. After the organization of the meeting, General Wm. Linkeley was introduced and made a stirring speech, and was followed by Hon. James L. Graham. The meeting adjourned amid much enthusiasm.

The Speakers' Stands for the Convention.

Three large and commodious stands have been erected on the North Common, Allegheny, for the use of the speakers at the great Convention to-morrow. The main stand is located but a few feet from North avenue, near the foot of Monterey street. The second stand is located at the foot of Palo Alto street, nearly opposite the Second Ward School House, and the third stand near the enclosure along the Fort Wayne Railroad track, opposite the mouth of Resaca street.

Assessments in the Twenty-First Ward.

Republicans of the Twenty-first ward, who wish to be assessed, can have their names added to the list this (Wednesday) evening, by calling at Mr. Huber's store.

Command Changed.

In consequence of the death of Mr. Francis Cluley, brother of Sheriff S. B. Cluley, the latter gentleman cannot participate in the torchlight procession to-night. The command of the Second Grand Division has therefore been assigned to Dr. Wm. J. Gilmore.

Meeting at Hazelwood.

The Grant and Colfax Club of the Twenty-third ward (formerly Hazelwood) held a special meeting on Monday evening, the President, George H. Anderson, Esq., in the chair, and G. T. Oliver, Esq., officiating as Secretary. The Chairman appointed a committee of three on assessment, consisting of the following named gentlemen: Messrs. William Wyley, James McKibben and J. R. Bingler. These gentlemen were instructed to see that every voter in the ward was properly assessed, and we are assured they will do their duty. On motion, the Committee on Speakers and Meetings were instructed to call another mass meeting at such time and place as they might deem proper.

The meeting then adjourned.

Fifth Ward, Allegheny.

All parties in this ward who desire to participate in the torchlight procession this evening are desired to report to the Marshal, at the Grant and Colfax Headquarters, Beaver avenue, below Ohio avenue, promptly at six o'clock. A cordial invitation is extended to all Republican citizens of the ward to participate.

The Seventh and Eighth Ward Marching Phalanx.

A meeting of the Marching Phalanx of the Seventh and Eighth (old Sixth) wards was held last evening. After considerable club business in relation to the grand demonstrations to be held to-night and to-morrow night, a vote of thanks to John W. Pittock was passed for the prompt and satisfactory manner in which he had furnished uniforms, torches, flags, decorations, &c., for the use of the Marching Phalanx. The meeting then adjourned.

Eleventh Ward Grant and Colfax Club.

The Club of the Eleventh ward held a meeting last evening at the School House, on Green street, Vice-President Jas. Robb in the Chair.

The following persons were appointed as officers for the companies in the torchlight procession this evening:

Company "A"—Capt., C. T. Ewing.
" " —1st Lieut., S. W. Hill.
" " —2d Lieut., B. F. Kennedy.

Dr. A. G. McCandless was elected Chief Marshal of the Eleventh ward delegation for Thursday.

Parade of the "Wide Awakes" and "Skirmishers."

The Third ward, Allegheny, Wide Awakes received their new uniforms and equipments yesterday. The uniforms consist of silver-bronzed caps and capes, and the men are supplied with handsome torches. The company, to the number of about one hundred, under command of Captain Casper Gang, and headed by a brass band, paraded through the different streets of the ward last evening, and serenaded a number of the prominent citizens. The company presented a handsome appearance and will turn out strong to-night.

The First ward, Allegheny, Skirmishers turned out last evening with their torches and presented a very creditable appearance.

Grand Rally at Latrobe.

A grand Republican rally was held at Latrobe, Westmoreland county, yesterday. Owing to the inclemency of the weather, the meeting was held in the workshop of the Pennsylvania Railroad, and was a very large and enthusiastic gathering. The meeting was ably addressed by Hon. A. K. McClure, of Philadelphia and Hon. James Pollock, Ex-Governor of the State.

Presentation Postponed.

The presentation of a flag to the Second Ward Grant and Colfax Club, by the ladies of that ward, which was to have taken place at Wilkins Hall, Fourth avenue, last evening, was postponed until this evening at seven o'clock precisely. ## THE GREAT Pacific Railroad,

—Receiving the aid and supervision of the Government, and carried forward by the extraordinary resources and energy of the powerful Corporations to whom it was entrusted—is rapidly approaching completion, and it is safe to say that *NEW YORK AND SAN FRANCISCO WILL BE CONNECTED BY RAIL BY THE*

FOURTH OF JULY NEXT,

More than two-thirds of the Through Line and Branches between the Missouri River and the Pacific Ocean are constructed, at a cost of nearly

ONE HUNDRED MILLIONS,

And the remainder is being pushed forward with unparalleled vigor. The

## Central Pacific Railroad Co.

To whom belongs the Western and Principal Portion of the Main-Stem Line, receive from the United States Government.

*I. The right of way through the Territories, with the use of Timber and Materials along the route.*

*II. An absolute grant of Twenty Sections per mile (12,800 acres) of the PUBLIC LANDS on the line, the minimum value of which is now fixed at* $2 50 *per acre*

*III. A special issue of U. S. Six per cent. Bonds, at the average rate of* $35,000 *per mile, delivered as the work progresses; which the Company are allowed to repay within thirty years, mainly by transportation services.*

*IV. Authority to issue their own First Mortgage Bonds to the same amount, having the preferred lien—superior to that of the Government.*

*V. It receives, in addition, donations and subsidies from the State and Cities of California, amounting to more than* $3,000,000 *in gold.*

Or an aggregate of Cash Resources for construction of *MORE THAN SIXTY MILLIONS UPON 725 MILES*, independent of the ten millions of acres of public lands and further subscriptions to the Capital Stock. The early completion of the enterprise is therefore beyond all doubt.

This Company have already carried their Road successfully across the Sierra Nevada Mountains, and are rapidly extending the track across the Salt Lake Plains, and have already a valuable way-traffic thereon. Besides a mileage upon all through business this road, having the best lands for settlement, the most productive mines, the nearest markets, and being exempt from competition will always command large revenues. The net earnings upon the completed portion are more than double the total annual interest liabilities to be assumed thereupon.

The undersigned offer for sale, and recommend to investors, the

First Mortgage 30-Year Gold Bonds

OF THE

Central Pacific Railroad Com'y.

Bearing six per cent. per annum interest, both principal and interest payable in "UNITED STATES GOLD COIN." These Bonds are the first lien upon one of the most productive and valuable railroad lines in the world—a line which will be finished within 12 months, and which is already earning, after paying operating expenses, more than twice the annual charge of its Bonded debt. They are already widely known and esteemed in this country and Europe, and it is believed the remainder of the Loan will speedily be taken.

A limited amount will be disposed of at

103 PER CENT., AND ACCRUED INTEREST IN CURRENCY.

The Bonds are of $1,000 each, with semi-annual gold coupons attached, payable in July and January.

The Company reserve the right to advance the price *at any time*; but all orders actually in *transitu* at the time of any such advance will be filled at present price. At this time they pay more than eight per cent. upon the investment, and have, from *National and State laws, guarantees superior to any other corporate securities now offered.*

We receive all classes of Government Bonds, at their full market rates, in exchange for the Central Pacific Railroad Bonds, thus enabling the holders to realize from 5 TO 10 *PER CENT. PROFIT* and keep the principal of their investments equally secure.

Orders and inquiries will receive prompt attention. Information, Descriptive Pamphlets, etc., giving a full account of the Organization, Progress, Business and Prospects of the Enterprise furnished on application. Bonds sent by return Express at our cost.

## GET A GOOD SAW.

And Your Mill will do Good Work

Our Saws are Oil Tempered, Patent Ground, made to Run well.

You will find each Saw of one Temper and no Hard and Soft Spots in the same Saw.

We accomplish this by our Patent Tempering Process, and you can not get this from any other Saw Maker, as we own the Patents for the United States.

We do not claim to make a cheaper Saw than any one else, but one that will run at the word go, and will give no trouble, and will keep round longer; because being uniform with Temper, it will not wear on one side faster than the other.

We invite correspondence, or an interview with the practical man of your firm.

This Company, National in its character, offers, by reason of its Large Capital, Low Rates of Premium and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium, being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-Holders.

Several new and attractive tables are now presented which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a Life Insurance, payable at death, but will receive, if living, after a period of a few years, *an annual income equal to ten per cent.* (10 *per cent.*) *of the par of his policy.* In the latter, the Company agrees *to return to the insured the total amount of money he has paid in, in addition to the amount of his policy.*

The attention of persons contemplating insuring their lives or increasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Company.

Circulars, Pamphlets and full particulars given on application to the Branch Office of the Company in Philadelphia, or to its General Agents.

LOCAL AGENTS ARE WANTED in every City and Town; and applications from competent parties for such agencies, with suitable indorsement, should be addressed TO THE COMPANY'S GENERAL AGENTS ONLY, in their respective districts.
